# How to use this PRICE LIST

This booklet lists our current prices which supersede all previous listings. **All prices are subject to change without notice.**

This Price List is intended for use with our color-illustrated 56-page **ORCHARD & GARDEN BOOK** which has been widely distributed in 1950-51. The page references shown on this list by each class of plant refer to the page on which a complete description (and often a picture) of that item will be found in the **ORCHARD & GARDEN BOOK**.

Items and sizes shown in the **BOOK** but NOT listed in this Price List are no longer stocked.

If you do not have our **ORCHARD & GARDEN BOOK**, call or write for your copy without charge.

**MAIL ORDERS**—Minimum purchase \$5. (Salesyard orders welcomed in any amount.)

**Packing Charge** of 10% on balled and burlapped and container stock shipped on order. No charge for packing bare root stock for domestic orders.

All **deciduous stock** shipped bare root **PREPAID** in California, except orders at commercial rates for 50 or more fruit trees or grapevines (shipped at customer's expense).

**BULBS** and Bare Root Roses **PREPAID** anywhere in the United States.

**Errors** which may be made in filling orders should be reported to us **within 10 days** after receipt of the stock. The same time period applies to adjustments for which we may be responsible.

**At All Salesyards—10% DISCOUNT** on cash-and-carry orders for nursery stock of \$10 or more.

**ALL Salesyards Open DAILY and SUNDAYS . . .** except closed on Sundays between June 15 and September 15, 1952, and closed on New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas.

**CALIFORNIA NURSERY CO.**  
**NILES** • **Modesto** • **Fresno**

**A.A.R.S. Means  
The Best . . .**

When you buy an All America Rose you buy a variety that has been tested in various parts of North America and selected as **outstanding** by a national non-profit organization of experts. We recommend them as the finest.

## Plant These Garden JEWELS

Add mature dignity and height to your rose garden with a selection of Roeding's Quality TREE Roses, grown and sold only by us. These are 3-year-old plants (a full year older than ordinary tree roses) and have full bushy "heads" born on sturdy "trunks." They have extra vigor, too—these tree roses can "take it."

## ROEDING'S QUALITY

## FRUIT TREES

Our fruit trees must "live-up" to a quality reputation of 87 years' standing. Particular care is given to:

- **Bud selection**, for the best parent characteristics
- **Labeling**, to insure "true-to-name" varieties
- **Cultural methods**, based on long experience
- **Crew supervision**, by our own staff, on our own grounds

Foothill-Grown, famous for their vigorous root systems.

Our prices are based on definite sizes. Each species stands on its own for pricing purposes. Home orchard selections of 1 to 49 bare-root fruit trees will be shipped prepaid to any point within California. Larger orders are shipped transportation charges collect.

## LANDSCAPE DESIGN AND CONSTRUCTION

**A Flexible and Convenient Service  
Adjusted to Your Needs**

Use one, several, or all of our landscape design and construction facilities, as your need or preference dictates.

**THE COMPLETE SERVICE** means full responsibility from idea to finished project. It starts with site inspection and includes sketches, finished plan, specification grading, soil preparation, structural and piping construction as well as plant materials, lawns, and planting . . . including initial maintenance.

**THE PARTIAL SERVICE**—Sketches, plans, or any part of the plant materials, lawn, and planting service may be obtained separately.

In short, you can call in and present your problem and our Landscape staff will fit the service to your requirements and budget.

The advantages are many—authentic design, full knowledge of plants and materials, experienced planning and construction, and the responsibility of the west's pioneer nursery organization.

Your inquiries are invited; a consultation involves no cost or obligation.
